We will use the Google Meets virtual video meeting platform which students, parents/guardians, and staff can access via the Internet and use for purposes of parent meetings and programming. Please be advised you will need a computer, tablet, or smartphone in order to engage in these remote interactive activities and that an adult must be present during these activities. If you give consent for your child to participate in whole, small group and individual virtual meetings as well as related service therapy sessions, please complete the form below.
